.eAAAspostereAAa .(postman) .Besancenot joined the Nouveau Parti anticapitaliste (NPA) when it was formed in 2009, has continued to work for the French Post Office (PTT), and is member of the left union, Sud PTT. We spoke with political activists and trade unionists. These women especially recalled that it is not a question of eAAARussian brotherseAAa who attack other eAAAUkrainian brotherseAAa, but rather of Russian soldiers who attack men and women from Ukraine. In reality, these two worlds are intimately linked. What can this war teach the European left? The conflict in Ukraine marks the end of a cycle, that of the eAAAHappy globalisationeAAa of the capitalists. They want to know in detail what Ukrainian integration has meant, in terms of social and democratic rights, for the Eastern European countries that have joined the EU. These activists insist on the need not to remain blind to the Ukrainian resistance, by focusing only on the Azov battalion. Kelly Rogers, Ruth Cashman, and Tom Harris have just returned from a visit to Ukraine (3-8 May) with the European Network for Solidarity with Ukraine. But, as eAAAcampismeeAAa and the eAAAanti-imperialism of foolseAAa still exists, the connections left groups, from a variety of backgrounds, from mainstream social democracy to the radical left, have made, have something to contribute.
